

Worksheet 3

I. Ask your elders at home and fill in this sheet to know how they take care of their clothes.

On which days of the week do your elders at home do the laundry?

How many clothes do they wash in a week?

Do they wash the clothes by hand or in a machine?

Do they wash the coloured clothes and the white clothes separately?

Which detergent or soap do they use?

How many times do they rinse the clothes?

Where do they keep the clothes for drying?

Do they iron the clothes after they are dry?

Do they fold the clothes neatly before keeping them in the cupboard?

Do they use anything to keep the clothes safe from insects and dust?

Most importantly, do you help them to take care of the clothes?
